PCG Screening — Admin User Guide

Welcome to the PCG Screening admin dashboard. This guide walks you through everything you need to manage clients, candidates, billing, and settings.

Logging In

1. Go to your admin login page.
2. Enter your email and password.
3. Click **Log In**.

If you forget your password, contact your account administrator.

Dashboard

The dashboard gives you a quick snapshot of activity:

- **Total Candidates** — all candidates across every client
- **In Progress** — screenings currently being processed
- **Completed** — finished screenings
- **Recent Activity** — the latest candidate submissions and status changes

Use this page to get a feel for what needs attention today.

Clients

Viewing Clients

Click **Clients** in the sidebar to see all registered companies. Each card shows the company name, contact info, and number of candidates.

Adding a New Client

1. Click **New Client** in the top right.
2. Fill in the company details:
    - Company name
    - Contact person (first and last name)
    - Email, phone, website (optional)
    - Address, city, state, zip
3. Set up their **screening packages** — give each one a name, price, and optional description.
4. Choose a **billing type**:
    - **Candidate Pay** — the candidate pays at the time of screening
    - **Employer Pay** — the company is invoiced (Net 30)
5. Click **Create Client**.

Editing Client Settings

1. Go to **Clients** and click on a company.
2. Select the **Settings** tab.
3. From here you can update:
    - **Company Info** — name, contact, email, phone, website, address
    - **Billing Type** — switch between Candidate Pay and Employer Pay

    - **Packages** — add, remove, or edit screening packages
    - **Notification Preferences** — control which emails get sent (see Notifications section below)
4. Click **Save Changes** when done.

Candidates

Viewing All Candidates

Click **Candidates** in the sidebar to see every candidate across all clients. The list shows:

- Candidate name
- Company they belong to
- Package selected
- Current status
- Payment status
- Report status (Sent / Pending / —)

Use the search bar and filters to narrow results.

Candidate Detail

Click on any candidate to see their full record:

- **Personal info** — name, email, phone, date of birth, SSN (if provided)
- **Screening components** — what checks are included
- **Status timeline** — every status change with timestamps
- **Documents** — consent forms, uploads from the candidate
- **Search jurisdictions** — counties and states to search

Updating Status

1. Open the candidate detail page.
2. Use the **Status** dropdown to change their status:
    - **Submitted** — initial state when a candidate is invited
    - **In Progress** — screening has started
    - **Completed** — screening is finished
3. Add optional notes explaining the change.
4. Click **Update Status**.

Status changes automatically send notification emails based on the client's preferences.

Internal Notes

Use the **Internal Notes** section at the bottom of the candidate detail page to leave private notes. These are only visible to PCG admin staff — clients and candidates never see them.

Uploading a Report

1. On the candidate detail page, find the **Report** section.
2. Click **Upload Report** and select the file (PDF recommended).
3. After uploading, click **Mark Report as Sent** to record when and who delivered it.

The sent status appears in the candidate list so you can quickly see which reports still need to be delivered.

Editing Screening Components

Click the edit icon next to the screening components to add or remove individual checks for a candidate. This is useful when a client requests changes after submission.

Editing Jurisdictions

Click **Edit** next to jurisdictions to add or update the counties and states being searched.

Billing

Click **Billing** in the sidebar to see a monthly breakdown of all screening activity.

- **Total Revenue** — sum of all screening charges for the month
- **Collected** — payments already received
- **Outstanding (Net 30)** — amounts owed by Employer Pay clients

Below the summary, each client is listed with their individual candidate line items, showing package, price, and payment status.

Use the left/right arrows to navigate between months.

Users (Admin Staff)

Click **Users** in the sidebar to manage PCG admin accounts.

- **Add** new admin users with name, email, and role
- **Edit** existing users
- Roles:
  - **Owner** — full access to everything
  - **Admin** — full access to manage clients, candidates, and billing

---

Documents

Click **Documents** to view and manage uploaded files — consent forms, ID documents, and other candidate-submitted paperwork.

Notifications

Each client has their own notification preferences. You configure these in the client's **Settings** tab under **Notification Preferences**.

There are three audiences:

PCG Admin Notifications

Emails sent to accounts@pcgscreening.com:

- New order received
- No response after 48 hours
- Payment received
- Consent form signed

- Drug test results received
- Report completed

Client (Employer) Notifications

Emails sent to the company's contact:

- Order received confirmation
- Status updates
- Consent form signed
- Drug test results received
- Report completed

Candidate Notifications

Emails sent to the candidate:

- Intake link (screening invitation)
- Payment confirmation
- Consent request
- Order received
- Status updates

Toggle each event on or off per client. Events marked as required (like intake link and report completed) are on by default.

Settings

Click **Settings** in the sidebar for general admin settings. Notification preferences are now managed per-client (see above).

Logging Out

Click **Log Out** at the bottom of the sidebar.
